

What is the model number of the B4 optical fiber cable

Overview

Name: Binary B4-TOS-4 B4 Series Toslink Cable, 13. 1' (4m) Category: Binary, Residential AV, Pro AV, Residential Connector Cables, Commercial Connector Cables, Audio Cables, Pro Audio Cables, ADI Exclusive UPC Code: 842822031271 Country of Origin: China. Each connector head is designed with a shorter form factor, hourglass profile with added grips, and an easy to identify orientation so you always know which way is up. The precision polished plastic optical fiber terminations ensure clean digital signal transfer, while the durable, bendable jacket. B4 type have a PVC-Monocoil sheathing which is smooth and easy to clean. BR4 type fibers go through a secondary process to randomly distribute the fiber from end to end. This disperses hot and dark spot from the lamp and provides a more uniform light output.
