

Where are Huijue spectrometers manufactured

Overview

Our four production bases, located in Shanghai Fengxian, Jiangsu Haian, Jiangsu Yangzhou, and Guangdong Huizhou, span over 200,000 square meters. These state-of-the-art facilities are certified with ISO9001, ISO14001, and OHSAS18000, ensuring that every product meets the. Huijue Group was founded in 2002, is in the field of energy storage system in the leading technology innovation company, to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products, covering household energy storage system, industrial. Huijue Group, founded in 2002, is a leading technology innovation company in the field of energy storage systems. The company owns two well-known sub-brands: Huijue and LZY Energy. Leveraging global. Here are the top-ranked spectroscopic analyzer companies as of May, 2026: 1. International Light Technologies, Inc. Huijue Network's products are exported to Europe, North America, Southeast Asia and other countries and.

Article Content

20 Spectroscopic Analyzer Manufacturers in 2026

The company develops computer-based spectrometers for spectral measurement in the ultraviolet (UV), visible, and near-infrared (NIR) ranges. Furthermore, they offer industrial light sources and filter ...

Leading Energy Storage Equipment Manufacturer

Huijue Network's products are exported to Europe, North America, Southeast Asia and other countries and regions. Since our founding in 2002, we've been committed to becoming a leader in the network ...

Company Profile-HUIJUE Group

At present, Huijue Group has four major production bases, including Fengxian in Shanghai, Haian in Jiangsu, Yangzhou in Jiangsu, and Huizhou in Guangdong, with a total area of more than 200,000 ...

About Us

Highjoule was established in Fengxian District, Shanghai, and established its own factory in the initial stage.

Company Profile

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment. Huijue Network products ...

Home Energy Storage and Innovative Solutions

Our four production bases, located in Shanghai Fengxian, Jiangsu Haian, Jiangsu Yangzhou, and Guangdong Huizhou, span over 200,000 square meters. These state-of-the-art facilities are certified ...

About Us | Huijue Group

It operates modern production bases totalling 350,000 square metres: one in Nantong, Jiangsu, specialising in customised design and manufacturing of energy storage systems; and another in ...

Telecom equipment, Hybrid Power Storage | Huijue Group

It currently has six wholly-owned subsidiaries throughout the country and four main production bases: Shanghai Fengxian, Jiangsu Haian, Jiangsu Yangzhou, and Guangdong Huizhou. Its five factories ...

67 Spectrophotometer Manufacturers in 2026

67 Spectrophotometer Manufacturers in 2026 This section provides an overview for spectrophotometers as well as their applications and principles. Also, please take a look at the list of 67 ...

Company Profile

Founded in 2002, Huijue Network is a high-tech service provider integrating intelligent network communication equipment and computer intelligent network communication system integration and ...
